PRACTICAL TIPS FOR RESTITUTION CAUTION

We remind you that cleaning is your responsibility and we thank you for checking the following points on the day of your departure. Any failure will result in the retention of the deposit of € 70.

Leave the water heater on and do not close the gas cylinder.

Highlight the dishes on the living room table, as you arrived, and clean the inside of the cupboards.

Clean the projections in the microwave.

Degrease the cooking plates and the credence.

Defrost and clean the fridge.

Clean the projections safe and under the flaps of the WC.

Broom and mop under the beds...

Remove the hair from the bungs and clean the shower and washbasin.

Remove and discard the pillow cases, paper disposable pads that you used

Evacuate all personal effects (sponges, cleaning products, flyers...)

This list is obviously not restrictive... We thank you for your understanding.

We remind you that **smoking is prohibited** in rentals.
